ORDER REJECTING REQUESTS FOR WRIT OF GARNISHMENT

GP Collections, which is not a party to this action, submits eight requests for a writ of garnishment against Defendants' bank accounts.

Under Federal Rule of Civil Procedure 69, state law, in this case, Michigan Court Rule 3.101(D), governs a request for a writ of garnishment. *See Uhl v. Komatsu Forklift Co., Ltd.*, 466 F.Supp.2d 899, 911-12 (E.D. Mich. 2006); *Schram v. Carlucci*, 41 F.Supp. 36 (E.D. Mich. 1941). MCR 3.101(D) requires a plaintiff or her agent to submit with a request for a writ of garnishment a verified statement confirming a judgment against the defendant, an exact amount unpaid, and a reason to expect that the proposed garnishee is subject to garnishment.

At least three defects in GP Collections' request preclude the issuance of a writ of garnishment. First, the request includes no verified statement. Second, nothing in the request establishes that GP Collections proceeds as Plaintiff's agent. Third, in the request, GP Collections improperly lists itself as Plaintiff's attorney. Accordingly,

IT IS ORDERED that the eight requests for a writ of garnishment, attached to this order, but not otherwise docketed, are REJECTED WITHOUT PREJUDICE.

It is so ordered.

Dated: March 26, 2013
